CONTACT DETAILS

So that we can keep the children safe, we need more than one emergency contact for every child. If you, or any of your child's contacts has recently changed their telephone number or address, please come and let us know at the Desk so that we can update our records.

ClassDojo Learning at home

Children in Class 3 and Class 4 are working hard on recording their work using the SeeSaw app. When the children do work that might not be recorded in their book, they take a photo on the SeeSaw app and their class teacher records verbal feedback for them.

Information about children's behaviour is also available by using the Class Dojo app.

You can see what the children have been up to by downloading the app and logging in to your child's learning space. Please ask Mrs Jones for more information on how to do this.
