### Have you changed your number OR moved house?

If you (or any of your child's emergency contacts) have recently changed their telephone number or moved house then please make sure you tell Mr Hazzard at the desk. This is so we can contact you quickly if there is ever an emergency.

Last term, children in classes 3 and 4 have learned some rugby skills. Some of the children will use these in a rugby festival on 17<sup>th</sup> May. More info will come nearer the time.

# Keeping Your Children Safe Online

Make sure your child knows to always keep private information safe and watch what they say on the internet. People may not be who they say they are online and it's not always possible to control who can see your child's information.

Your child should know not to give out information like:

- their full name
- photos
- postal or email addresses
- school information
- mobile or home telephone numbers
- details of places they like to spend time

## ZIP IT

Keep your personal stuff private and think about what you say and do online.

## ZIP IT

Keep your personal stuff private and think about what you say and do online.

## BLOCK IT

Block people who send nasty messages and don't open unknown links and attachments.

## FLAG IT

Flag up with someone you trust if anything upsets you or if someone asks to meet you offline.

You can help keep your child's information safe by setting privacy settings. This can restrict access to personal information and photos on things like social networking sites.

If your child is in Class 1, please make sure that they have a full change of clothes on their peg. They need: t-shirt, trousers, underwear and socks.

## Joint School Council

We have recently started our school council. There is one councillor for each class. The councillors for Classes 3 and 4 attend a joint school council meeting with representatives from all the other schools in Maryport. At their next meeting they will be talking about the recycling project that all of the schools are involved in.

## Month of Ramadan

As our children grow up, they are living in an increasingly diverse society, with people from different faiths. To help our children understand, we will be learning about Ramadan and it's importance for Muslims.

## UDAYACHAL SCHOOLS

BRITISH COUNCIL International School Award 2015-2018

Over the last year, we have been working more with our partner school, Udayachal Primary School, in India. The children have been exchanging letters and pictures about things that have been going on in the different schools.

Make sure that you have a look at the work on display in the entrance

## Do you know of anyone looking to start school? Still not made their mind up?

Did you know that our school has one of the best Ofsted Inspections in Maryport? Our school provides care and education in the Early Years that Ofsted graded as Outstanding in our last inspection. So if you know of anyone that is looking for their child to start preschool, nursery or full time school – make sure you have a chat with us and we can give you all the information that you need and point you in the direction to claim funding.

## Swimming

Due to the closure of Netherhall School swimming pool, it has not been possible for us to organise our usual swimming lessons throughout the summer term. We are actively looking to find other providers, but have not been successful so far. We will let you know if there are any further developments.

## Book Fair

There will be a book fair in school for 1 week beginning on Thursday 16<sup>th</sup> May. Books will be in the school entrance each morning for you to browse/purchase.

Please could you make sure that you complete the online parent Questionnaire by visiting [www.parentview.ofsted.gov.uk](http://www.parentview.ofsted.gov.uk) to let us know how we are doing.
